

Hello Friends,

Please join us on Saturday, April 23, 2022, 11:00 AM–Noon, for a virtual breakfast!

Confused about the newly drawn district maps in New York State? Not sure what it means for the upcoming congressional election this year? Join the club! It has been very hard to figure out where the new lines are and what candidates you will now be voting for. But you are in luck. Our guest speaker for our April virtual event on Saturday, April 23rd, will be Jeffrey Wice, a renowned election attorney who specializes in redistricting. According to his biography,

“Jeffrey M. Wice has over 40 years of experience working in redistricting, voting rights, and census law. He is considered a national expert on redistricting and has been included in Roll Call’s list of the top 50 Washington policy insiders. Of counsel to the Washington, D.C. law firm Sandler Reiff Lamb Rosenstein & Birkenstock, P.C., Professor Wice has assisted many state legislative leaders, members of Congress, and other state and local government officials on redistricting and voting rights matters across the nation.” <https://www.nyls.edu/faculty/jeffrey-wice/>

You have read quotes by Mr. Wice in almost all the recent articles about the court decisions about New York’s newly drawn maps. Now you will get to hear him speak about what this all means and have an opportunity to ask him questions.
