## FOR A BETTER SMITHTOWN

*“LOCAL ISSUES MATTER”*

October 2015

Dear Fellow Democratic Voter,

As your Candidate for Town Council, I am writing to personally **thank you** for taking the time and energy to cast your ballot last Election Day! Your vote *says a lot about you!* It distinguishes you as someone who knows what's important, and *puts you in a select group of Americans who care enough to participate* in our great democracy.

**On Tuesday, November 3<sup>rd</sup>** we have another important election that *will affect your local quality of life even more!* You can actually vote for someone who will return your call when you need help with a local issue. Someone who is actually concerned about *you*- not petty partisan politics.

This year promises to be an exciting time to be a Democrat in Smithtown! With Republicans in disarray and fighting among themselves, you have the opportunity to make a real difference by voting for a Democrat who will win and be *your voice* on the Town Council.

And...To win nationally in 2016, it all starts locally in 2015!

Thanks for voting this Election Day - Tuesday November 3<sup>RD</sup> - and making your voice heard, instead of letting Republicans pick your Councilman.

**Remember to Vote Row A - All the way from Steve Bellone to Larry Vetter!**

Thanks and Best Regards,

*Larry Vetter*

PS- I'm sure you'll agree the 15 minutes you spend voting to oust the Ultra-Conservative Town Board career politicians, is more than worth it to have your own representative on the Smithtown Town Council.
